Subject	<i>Daily Report (03 / 07) - Internship Technical Assessment Full-Stack Web Application</i>

Dear **Ruchira Sachinthana**,

I have fixed the issues in the assignment. I reviewed the frontend, backend, and AWS CI/CD by watching YouTube tutorials. I also revisited the client portal documents and UI.

Project Name: Internship Technical Assessment Full-Stack Web Application

Date: 03 / 07 / 2025

Team Members Involved:

- None
- ***Accomplishments since the last update:***
 (List the key tasks and milestones achieved)
 - <https://github.com/Nirmal-wishwantha/wemixt-assessment-backend.git>
 - <https://github.com/Nirmal-wishwantha/wemixt-assessment-frontend.git>

- ***Challenges / Roadblocks:***
 I encountered several issues while deploying to AWS

- ***Next Steps:***

Resolving the issues that occurred in AWS and implementing the validation part in both the frontend and backend.

I am looking forward to setting up the client portal and client dashboard login UI in my local project.

- ***Pending Actions:***

Recreating the issues in the frontend and backend and completing the deployment.

- ***Concerns:***

none

- ***Risks:***

none

- ***Additional Comments/Updates:***

none

- ***Additional Links and References:***
